

## PS 98 THE DOUGLASTON SCHOOL PRESENTS

We are looking for parent and community volunteers!

There are many paths to success. Share yours!

**Friday, March 6, 2026**

We are looking for a variety of careers to be presented to our students. If you or someone you know are interested in spending some time sharing with our students about how and why you chose your career and how success is the result of persistence, please join us. Each presenter will have up to 10 minutes to share their careers. This will be an in-person event. The scheduled time will be from 9:00-10:30 am. This event gives students an opportunity to see the value of their education and is also a great way for you to get involved in PS 98 and make an impact on the future of our students.

If you are interested in participating, please e-mail me the following information no later than February 26.

- Parent Name, E-mail and Phone Number
- Presenter's Name (if not a parent) and relationship to parent
- Child's Name and Class
- Please briefly describe your career

Please join us for refreshments at 8:30 am in the Library.

Thank you in advance for your involvement.

*Christine E. Kollé*  
Parent Coordinator
