Welcome Incoming 4th Grade!

You are entering the final stretch before your last year at P.S. 98. You're going to be a ... 4th GRADER! 🙌 You have come so far and worked so hard to get to this point. 4th grade is going to come with its own responsibilities, challenges, growth, and fun.

We want you to enjoy your summer. Enjoy being young and free. Enjoy learning about the world around you through different experiences. Remember to be kind and think before you speak and act. We can't wait to hear all about your summer. Make sure you read, read, read, everyday, complete your summer homework, and come prepared with everything on your supply list. The most important things you need to bring next year are... a positive attitude and a smile. 😊

See you soon,

Your 4th grade teachers
