

Our PS98 Charity Walk took place on October 31st. We surpassed our \$1,500 goal, raising more than \$2,300 to help children with cancer attend summer camp.

Please consider joining the PS98 team for Long Island SunriseWALKS on **Sunday, June 8th**. There will be crafts, carnival games, food and fun for the whole family!

If you are unable to join us on that day for the walk, you can also donate!
